SUBJ: DirecTV Online Bargaining Survey

---

As we prepare for DirecTV contract negotiations, an important first step is identifying the workplace issues that our members want us to address at the bargaining table. This online bargaining survey will give our members the opportunity to ensure that their voices are heard. Additionally, it provides an opportunity for members to express an interest in serving as a local job steward or Union activist. The data collected from the survey will be tabulated at the District 3 Office and distributed to the Locals across the District with DirecTV membership. We are asking that Local Presidents share the link to this survey with the DirecTV membership and encourage members to participate. Survey results will be tabulated on Wednesday July 6, 2016. A link to the survey is listed below:

Should you have any questions or concerns surrounding this issue, please feel free to contact me at the District 3 Office.
