<i>Note: See the "Eligibility and Participation" section of each program's SPD for a more detailed description of eligibility for each program of the Plan.</i>	

This document is the summary plan description (SPD) for the Bargained Cash Balance Program (Program). The SPD summarizes the terms of the Program, including the particular eligibility requirements for coverage, the benefits provided, the conditions that must be met to qualify for Program benefits, the times and forms of payment of the Program's benefits, plus other special Program provisions.

Special provisions apply to some individuals who are not fully described in this SPD. Usually, these special provisions are the result of bargaining agreements, corporate transactions or agreements among AT&T and other companies. See *Attachment 1* for a description of the groups for whom special provisions apply. You may also obtain more information about these special provisions by contacting the Recordkeeper. See the "Contact Information" section for more information on how to contact the Recordkeeper.

The Plan is a complex and technical legal document. While every effort has been made to make the description in this SPD as accurate as possible, this SPD could not include every relevant detail of the Plan. To the extent this SPD conflicts with the official Plan document, the official Plan document controls. Your right to any benefits under the Plan depends on the actual facts and terms and conditions of the Plan documents, and no rights accrue by reason of, or arising out of, any statement shown in or omitted from this SPD.

This SPD is not intended to, nor does it create, a contract of employment with any member of the AT&T Controlled Group.

Many sections of the SPD are related to other sections of the document. You may not have all of the information you need by reading just one section. Therefore, it is important that you review all sections that apply to a specific topic. In addition, notes imbedded in the text are used throughout this SPD where needed to provide clarification, additional information or identify an exception or distinction applicable to certain Eligible Employees. These notes provide information that is important to fully understand the Program and the benefits it provides.

If you had a Termination of Employment before the distribution date of this SPD, some of the provisions of this SPD do not apply to you. In general, and unless otherwise provided, the provisions of this SPD that are related to eligibility, vesting, how your Pension Benefit is calculated and early retirement provisions may not describe the benefits available to you depending on when your Termination of Employment occurred. Contact the Recordkeeper or refer to the SPD that was in effect on your Termination of Employment for more information.

Terms Used in This SPD

Certain terms used in this SPD have specific meanings. Many of the terms that use capital letters, such as Eligible Employee, are defined in the “Definitions” section. Other less widely used terms are defined where the term is used in this SPD. Understanding the meanings of all of the defined terms will help you better understand the information provided in this SPD.

Participation

A Participant is an individual eligible to accrue Program benefits. You become a Participant in the Program if you are an Eligible Employee and when you have completed one Year of Participation Service.

You complete one Year of Participation Service when you have completed a 12-month Period of Service. Special rules apply if there is a break in your service. See the “Break in Service Rules” section for more information about these special rules.

Your active participation in the Program ends when you are no longer an Eligible Employee. However, you may still be considered a Participant of the Program for purposes of obtaining any unpaid Pension Benefit credited to you under the Program.

You will not be eligible to earn any additional benefit under the Program after you cease to be an Eligible Employee. If you are re-employed or otherwise become an Eligible Employee again, special rules apply. See the “Break in Service Rules” section for more information.

YOUR PROGRAM BENEFITS

KEY POINT

- *If you have a Vested Interest when your Termination of Employment occurs, you are eligible to receive a Pension Benefit.*

Your Pension Benefit is your Cash Balance Account.

Who Is Eligible for a Pension Benefit

As a Participant, you are eligible for a Pension Benefit, which is equal to your Cash Balance Account, only if you satisfy both of the following:

- You have a Termination of Employment.
- You have a Vested Interest at the time of your Termination of Employment.

Upon your death, your survivors also may be eligible for benefits under the Program. See the “Survivor Benefits” section for more information about these benefits.

HOW TO EARN A VESTED INTEREST

As a Participant, you will have a Vested Interest when you are credited with three or more Years of Vesting Service or when you reach Normal Retirement Age while an Employee. Different rules apply if your Termination of Employment occurred before Jan. 1, 2010. Contact the Recordkeeper for more information.

You earn one Year of Vesting Service when you complete a 12-month Period of Service.

HOW YOUR CASH BALANCE ACCOUNT IS CALCULATED

KEY POINT

- *Your Cash Balance Account is equal to the sum of your opening account balance plus any earned Basic Benefit Credits and any Interest Credits.*

Your Cash Balance Account

Your Pension Benefit under the Program is your Cash Balance Account. Your Cash Balance Account is a hypothetical account to which Basic Benefit Credits and Interest Credits are credited in the Recordkeeper's system. There is not an actual account holding your Cash Balance Account; it is a part of the overall Pension Fund.

Your Cash Balance Account is zero when you first become a Participant.

If you were covered under another pension program under the Plan and you transfer to this Program, your opening Cash Balance Account will equal zero unless you already have a Cash Balance Account in the Program.

- * **Special Rule for Employees of SBC Global Services, Inc. (COS) – CWA District 4 and SBC Internet Services, LLC – National Internet Contract – Tier 2**

You will have an opening Cash Balance Account equal to the Dec. 31, 2005, accrued benefit from your prior pension program under the Plan, converted to a lump sum amount and using the Actuarial Equivalence as of that date (as determined under your prior pension program).

Adding Basic Benefit Credits to Your Cash Balance Account

Your Cash Balance Account increases as Basic Benefit Credits are added. Basic Benefit Credits are credited monthly on the last day of each calendar month (or on your date of Termination of Employment or transfer, if earlier). The amount of your Basic Benefit Credit is equal to 5 percent of your Pension Compensation. Pension Compensation includes all of the following:

- Actual base pay
 - Group incentive compensation
 - Individual nondiscretionary incentive compensation (e.g., commissions)
 - Group incentive compensation adjustment
- * **Special Rule for Employees Receiving Short-Term Disability**
Pension Compensation includes payments received from the short-term disability provisions of your Employer's disability benefits program if you are an Employee at the time such payments are made.

Important: Contact the Recordkeeper if you have any questions about what compensation is included in your Pension Compensation. See the "Contact Information" section for information on how to contact the Recordkeeper.

Example: Assume your Pension Compensation is \$4,000 per month. Your Basic Benefit Credit for the month would be \$200 (\$4,000 times 5 percent).

* **Special Rules for Employees of AT&T Digital Graphics ADvantage – IBEW Local 1269**

During the period beginning Jan. 1, 2003, and ending March 30, 2003, your shift differentials were included in your Pension Compensation. Also, if you are classified as a Graphic Designer III on or after Nov. 1, 2004, differentials as defined under the Applicable Collective Bargaining Agreement will be included in your Pension Compensation. Finally, if you are on a Union Leave of Absence, you will continue to earn Basic Benefit Credits while on such leave.

* **Special Rule for Employees of SBC Internet Services, LLC – Pacific Bell Internet and National Internet Contract – Tier 2**

The “lump sum wage payments” and “discretionary sums” as defined under the Applicable Collective Bargaining Agreement will be included in your Pension Compensation.

Pension Compensation includes Success Sharing Plan payments, as determined by the Applicable Collective Bargaining Agreement.

* **Special Rule for Employees of SBC Global Services, Inc. (COS) – CWA District 4**

*Your team performance awards are **not** included in your Pension Compensation.*

* **Special Rule for Employees of Southwestern Bell Advertising Group, Inc. – CWA District 7**

Your canvass bonus, daily sales average and target earnings, each as defined under the Applicable Collective Bargaining Agreement, are included in your Pension Compensation.

* **Special Rule for Employees of SBC Global Services, Inc. – CWA District 9 (Appendix D of the AT&T West Core Contract)**

Pension Compensation includes Success Sharing Plan payments, as determined by the Applicable Collective Bargaining Agreement.

Adding Interest Credits to Your Cash Balance Account

In addition to your Basic Benefit Credits, Interest Credits will be added to your Cash Balance Account beginning with the month after your Cash Balance Account first receives Basic Benefit Credits. Interest Credits are added to your Cash Balance Account up to the last day of the month before the date your pension payments begin, even after your Termination of Employment.

The Amount of Your Interest Credit

The amount of Interest Credits added to your Cash Balance Account is equal to the applicable interest crediting rate multiplied by your total Cash Balance Account as of the last day of the prior month (that is before the Basic Benefit Credits are added for that month). The applicable interest crediting rate is a monthly rate that when compounded, equals the annual rate of 30-year U.S. Treasury securities published as of the middle month of the prior calendar quarter. Contact the Recordkeeper for more information about the current interest crediting rate. See the “Contact Information” section for information on how to contact the Recordkeeper.

Example: Assume your Cash Balance Account on the last day of the previous month was \$10,000, and the applicable 30-year U.S. Treasury rate is 4.5 percent. Also, assume the Basic Benefit Credit earned this month is \$200. The amount of Interest Credits added to the Cash Balance Account for the month would be \$36.70 (\$10,000 times 0.367 percent, which is 4.5 percent annual interest converted to a monthly rate).

The balance of the Cash Balance Account at the end of the month would be:

Previous Balance	\$10,000
Basic Benefit Credit	\$200
Interest Credit	\$36.70
New Account Balance	\$10,236.70

*** Special Rule for New Participants**

When you first become a Participant, your Cash Balance Account will be credited with Basic Benefit Credits and Interest Credits beginning as of the later of either:

- *The date you became an Eligible Employee, or*
- *The date that is 12 months prior to the date you first became eligible to participate*

TIME OF PAYMENT

KEY POINTS

- *Your Annuity Starting Date is when your Pension Benefit is paid.*
- *You may elect to receive your Pension Benefit following your Termination of Employment.*
- *If you make no election, your Annuity Starting Date is your Normal Retirement Age, which is usually your 65th birthday.*

The date that your Pension Benefit is paid (or begins to be paid) from this Program is called your Annuity Starting Date. The following sections describe how that Annuity Starting Date is determined.

*** Special Rule for Small Pension Benefits**

If the present value of your Pension Benefit does not exceed \$5,000 when you have a Termination of Employment with the AT&T Controlled Group, the following Annuity Starting Date rules do not apply. Instead, your benefit will be distributed or “rolled over” to an individual retirement account. See the “General Plan Information” section for information about the Mandatory Cash-Out/Rollover Rules.

Eligibility to Elect Your Pension Benefit

You may elect any day after your Termination of Employment to begin receiving your Pension Benefit. If you do not wish to immediately elect to receive your Pension Benefit, you may elect to start receiving your Pension Benefit as of the first day of any month following your Termination of Employment and before reaching your Normal Retirement Age. Contact the Recordkeeper for

more information about making an election before the date you want payments to start. See the “Contact Information” section for information on how to contact the Recordkeeper.

You must start your Pension Benefit by the later of reaching your Normal Retirement Age or the day after your Termination of Employment. If you do not make a payment election by that time, then the Program will begin paying you a Joint and 50 Percent Survivor Annuity (if you have a Spouse) or a Single Life Annuity (if you do not have a Spouse). See the “Forms of Payment” section for more information about your payment options.

Normal Retirement Age

Your Normal Retirement Age is your 65th birthday or, if later, the fifth anniversary of the date you began participating in the Plan.

Example: If you began participating Dec. 1 at age 63, you reach Normal Retirement Age five years later, on Dec. 1, at age 68.

How to Begin Payment of Your Pension Benefit

You should contact the Recordkeeper when you are ready to begin payment of your Pension Benefit. See the “Contact Information” section for more information on how to contact the Recordkeeper. The Recordkeeper will provide a notice to you when you are eligible for a Pension Benefit (when you reach age 65 or, if earlier, when you contact them – whichever occurs first). The notice will explain the terms and conditions of the available forms of payment. The notice will also inform you on how to make the election and the time period for doing so.

You must file a benefit election form within the time and in the manner required by the Plan Administrator in order to elect one of the alternate forms of payment. The election must be made not less than 30 days and not more than 180 days before your Annuity Starting Date. (If you make an affirmative election, the 30-day period can be shortened to seven days.)

If you have a Spouse when your pension benefit payments begin, your election to receive an alternate form of payment will not be effective unless your Spouse consents. Your Spouse’s consent must be witnessed by a notary public and will be valid only with respect to the Spouse who signs it.

FORMS OF PAYMENT

KEY POINTS

- *Your Cash Balance Account will automatically be paid to you as a monthly pension when you reach Normal Retirement Age, unless you elect otherwise.*
- *If you do not have a Spouse on your Annuity Starting Date, a Single Life Annuity will be the automatic form of payment.*
- *If you have a Spouse on your Annuity Starting Date, a Joint and 50 Percent Survivor Annuity will be the automatic form of payment.*
- *If you do not want the automatic form of payment, you may elect one of several alternate forms of payment.*

★ **Special Rule for Small Pension Benefits**

If the present value of your Pension Benefit does not exceed \$5,000 when you have a Termination of Employment with the AT&T Controlled Group, the following forms of payment rules do not apply. Instead, your benefit will be distributed or “rolled over” to an individual retirement account. See the “General Plan Information” section for information about the Mandatory Cash-Out/Rollover Rules.

If you have a Vested Interest in your Cash Balance Account when you terminate employment with all members of the AT&T Controlled Group, your Cash Balance Account will be paid in the following applicable monthly pension form unless you make an election for an alternate form of payment. See the “How to Begin Payment of Your Pension Benefit” section for more information on how to commence your Pension Benefit:

- If you do not have a Spouse on your Annuity Starting Date, your Pension Benefit will be paid in a Single Life Annuity.
- If you have a Spouse on your Annuity Starting Date, your Pension Benefit will be paid in a Joint and 50 Percent Survivor Annuity.

Once payment of your benefit has commenced, you **CANNOT** change the form of payment.

Monthly Annuities

There are three types of annuities:

- Single Life Annuity
- Joint and 50 Percent Survivor Annuity (50% J&S)
- Joint and 75 Percent Survivor Annuity (75% J&S)

Single Life Annuity

A Single Life Annuity is a series of monthly payments that begin on your Annuity Starting Date and end when you die. No payments are made after your death.

If you do not have a Spouse on your Annuity Starting Date, your Cash Balance Account will automatically be paid to you in the form of a Single Life Annuity.

If you have a Spouse on your Annuity Starting Date, you may elect the Single Life Annuity as an alternate form if your Spouse consents and signs the necessary waiver. See the “How to Begin Payment of Your Pension Benefit” section for more information about spousal consent.

The value of your Single Life Annuity is determined by converting your Cash Balance Account to the Single Life Annuity using a factor that is based on your age as of your Annuity Starting Date. To determine the factor, the Program uses the 1994 Group Annuity Reserve mortality table published by the Internal Revenue Service and applies the interest rate for the 30-year U.S. Treasury securities published as of the middle of the month of the prior calendar quarter preceding your Annuity Starting Date. Contact the Recordkeeper for more information about how to convert your Pension Benefit to an annuity. See the “Contact Information” section for information on how to contact the Recordkeeper.

Example: Assume at termination your Cash Balance Account is \$100,000, and you are age 65 at your Annuity Starting Date. The factor used to convert your Cash Balance Account to an annuity would be 141.5292 based on the 1994 Group Annuity Reserve mortality table and an assumed annual interest rate of 5 percent.

Your Single Life Annuity would be \$706.57 per month (\$100,000 divided by 141.5292).

Joint and 50 Percent Survivor Annuity

The 50% J&S form of payment provides monthly payments to you and your Spouse or Legally Recognized Partner. Payments begin on your Annuity Starting Date and end when you die. Each monthly payment equals 90 percent of the monthly amount that would be payable to you as a Single Life Annuity (see the "Single Life Annuity" section above). After your death, 50 percent of the monthly amount that was paid to you while you were alive will be paid to your Spouse or Legally Recognized Partner. Payments stop when your Spouse or Legally Recognized Partner dies.

Example: Assume your Pension Benefit calculated as a Single Life Annuity is \$800 per month. Under the 50% J&S, your monthly benefit is equal to 90 percent of your Single Life Annuity. Your monthly pension as a 50% J&S is \$720 (\$800 times 90 percent). After your death, your Spouse or Legally Recognized Partner will receive monthly payments of \$360 (\$720 times 50 percent).

Important: If you have a Spouse on your Annuity Starting Date, your Pension Benefit will automatically be paid in the form of the 50% J&S unless you elect another form of payment (see the "How to Begin Payment of Your Pension Benefit" section). This automatic default will not apply if you have a Legally Recognized Partner.

If you meet the Modified Rule of 75 as of your Termination of Employment, are receiving a 50% J&S and your Spouse or Legally Recognized Partner dies before you, the monthly amount paid to you will be increased. The amount of the increase will equal the amount that your Pension Benefit was originally reduced from the Single Life Annuity. This feature does not apply if you did not satisfy the Modified Rule of 75 on your Termination of Employment.

Note: Employees who satisfy one of the following age and Term of Employment combinations known as the "Modified Rule of 75," on or before your Termination of Employment may also be eligible for certain retiree health and welfare benefits. Refer to the relevant SPDs for more information about retiree coverage.

Modified Rule of 75	
Age	Term of Employment
Any age	30 years
50	25 years
55	20 years
65 or older	10 years

Joint and 75 Percent Survivor Annuity

If you have a Spouse or Legally Recognized Partner on your Annuity Starting Date, you may elect the 75% J&S as an alternate form of payment. The 75% J&S form of payment provides monthly payments to you and your Spouse or Legally Recognized Partner. Payments begin on your Annuity Starting Date and end when you die. Each monthly payment equals 85 percent of the monthly amount that would be payable to you as a Single Life Annuity (see the "Single Life Annuity" section). After your death, 75 percent of the monthly amount that was paid to you while you were alive will be paid to your Spouse or Legally Recognized Partner. Payments stop when your Spouse or Legally Recognized Partner dies.

Example: Assume your Pension Benefit calculated as a Single Life Annuity is \$800 per month. Under the 75% J&S, your monthly benefit is equal to 85 percent of your Single Life Annuity. Your monthly pension as a 75% J&S is \$680 (\$800 times 85 percent). After your death, your Spouse or Legally Recognized Partner will receive monthly payments of \$510 (\$680 times 75 percent).

If you meet the Modified Rule of 75 (as defined above) as of your Termination of Employment, are receiving a 75% J&S and your Spouse or Legally Recognized Partner dies before you, the monthly amount paid to you will be increased. The amount of the increase will equal the amount that your Pension Benefit was originally reduced from the Single Life Annuity. This feature does not apply if you did not satisfy the Modified Rule of 75 on your Termination of Employment.

Lump Sum Distribution

You may elect to receive your Pension Benefit in the form of a lump sum. The value of the lump sum will be equal to your Cash Balance Account on your Annuity Starting Date. You will not receive a monthly Pension Benefit if you elect this option.

Important: If you take a lump sum distribution and are later re-employed by a member of the AT&T Controlled Group, the prior distribution may reduce the Pension Benefit to which you would otherwise be entitled on your later retirement. See the "Effect of Rehire Within the AT&T Controlled Group" section for more information.

Lump Sum Repayments After Reinstatement

If you received a lump sum payment from the Program following a Termination of Employment, through a settlement, award or order involving litigation, arbitration or a grievance under an Applicable Collective Bargaining Agreement, you are permitted to repay your prior lump sum. In this situation, the rules below apply:

- Repayment may be made only to the extent it is consistent with the terms of the settlement, award or order requiring the reinstatement.
- You must make your repayment as required by the Plan Administrator.

Interest will be required on the repaid amount.

SURVIVOR BENEFITS

KEY POINT

- *If you die before your Annuity Starting Date, your Spouse or other Designated Beneficiary may be eligible for a benefit under this section.*

- * **Special Rules for Small Survivor Benefits**

Special time and form of payment rules apply to survivor benefits that are subject to the automatic cash-out provisions described in this SPD. See the "General Plan Information" section for information about the Mandatory Cash-Out/Rollover Rules.

If you die before your Annuity Starting Date and have a Vested Interest, your Spouse or Designated Beneficiary will receive a benefit under this section.

Annuity Amount

Your Spouse may elect to receive a Single Life Annuity, which will equal the greater of:

- Monthly payments that are equal to 50 percent of the amount of the Pension Benefit payable to you if you had elected to receive your Pension Benefit in the form of a 50% J&S on the day before the earlier of your Termination of Employment or death. See the "Forms of Payment" section for more information about a 50% J&S.
- The Single Life Annuity derived from the Cash Balance Account based on your Spouse's age and the amount of your Cash Balance Account as of the date of distribution.

Single Lump Sum

Your Spouse or a Designated Beneficiary, if you have one, may elect to receive the Survivor Benefit in the form of a single lump sum equal to the amount of your Cash Balance Account as of your date of death.

Deferred Commencement

Your Spouse may elect to defer commencement of the Survivor Benefit until you would have reached Normal Retirement Age. If your Spouse defers commencement, the Survivor Benefit amount will be monthly payments equal to 50 percent of the monthly Pension Benefit you would have received if you had a Termination of Employment on your date of death, survived to Normal Retirement Age and received your Pension Benefit in the form of a 50% J&S. See the "Forms of Payment" section for more information about a 50% J&S. If you have a Designated Beneficiary (other than your Spouse), your Designated Beneficiary may defer commencement of the Survivor Benefit until the earlier of your Normal Retirement Age or the first of the month following the fifth anniversary of your death and the Survivor Benefit will be paid in the form of a single lump sum equal to your Cash Balance Account.

No Spouse or Designated Beneficiary

If you die before your Annuity Starting Date without a Spouse or Designated Beneficiary, a single lump sum equal to your Cash Balance Account on your date of death will be paid in accordance with the AT&T Rules for Employee Beneficiary Designations. See the "Designation of Beneficiaries" section for more information about how to designate a beneficiary.

BREAK IN SERVICE RULES

KEY POINTS

- *A break in service occurs when you are not at work as scheduled.*
- *A break in your service may affect the date you begin or resume participating in the Program. It may also affect your eligibility for Pension Benefits, your Vested Interest, your Term of Employment and the amount of your Pension Benefits.*

The break in service rules are complex and are not fully described in this section. If you have any questions, please contact the Recordkeeper for more information.

Note: Special provisions of the Mandatory Portability Agreement and other Interchange Agreements may also affect these break in service rules. See the “Mandatory Portability Agreement and Interchange Agreements” section for more information about these agreements.

How Your Service Is Used

Your service is used to determine when you become a Participant, your Term of Employment and when you have a Vested Interest under the Plan.

Year of Service

Years of Service are used to determine when you become a Participant, when you have a Vested Interest under the Plan and your Term of Employment. You earn a Year of Service for every 12-month Period of Service. Period of Service is adjusted for any breaks in service (see the “How Breaks in Service Affect Your Service” section). Each 12-month Period of Service results in another year being added to your Term of Employment or is included in determining whether you are a Participant and whether you have a Vested Interest. See the “How to Earn a Vested Interest” section for more information about requirements for vesting, and see the “Eligibility and Participation” section for more information about requirements for participation.

Note: Special rules apply if you were on a Military Leave of Absence. If you were on a Military Leave of Absence, please contact the Recordkeeper for more information about your eligibility to receive credit for that service.

You stop earning service for all purposes on the date you have a Termination of Employment.

How Breaks in Service Affect Your Service

Determining Your Vested Interest

The chart below tells how breaks in service affect your service for the purpose of determining whether you have a Vested Interest.

If You Have a Break in Service ...	How Your Years of Vesting Service are Affected
Before you have a Vested Interest	If your break in service is five or more years, your prior Years of Vesting Service will not be counted. If your break in service is less than five years, your prior Years of Vesting Service will be determined under the applicable bridging rules. Please contact the Recordkeeper for more information.
After you have a Vested Interest	You will continue to have a Vested Interest and your prior break in service will not have an effect.

Determining Your Term of Employment

In General

If you have a Termination of Employment or go on an unpaid Leave of Absence and you are rehired by a Participating Company or otherwise return to work, that absence will be considered a break in service. In that case, your Term of Employment will be determined only from the date you return to work. Your Term of Employment before the break in service will not be counted except as follows below:

If you are re-employed ...	Then ...
Following an absence of six months or less	The absence will be treated as an absence and not a break in service, and your prior Period of Service will be included in your Term of Employment immediately upon rehire, but the period of absence will not be included.
Following an absence of more than six months	Your Term of Employment will only include service after your rehire. Your Period of Service before the break in service is not counted. However, if you complete five years of continuous service after rehire, your prior service will be adjusted to include that prior period of employment.

Layoff or Involuntary Reduction

If you incur a Termination of Employment due to a layoff or involuntary reduction in work force, and you are rehired within two years after your Termination of Employment, the absence will not be a break in service. In addition, the following rules apply:

If you are re-employed ...	Then ...
Following a period of absence of six months or less in any 12-month period	Your Term of Employment will include that period of absence.
Following a break in service of more than six months in any 12-month period	Your Term of Employment will not include that period of absence.
If you have more than one absence during a 12-month period and the total absences are greater than six months	You will not receive credit for the period of absence. In addition, until you have been re-employed for 12 months, you will not receive credit for any additional periods of absence.

Break in Service Due to a Leave of Absence

Upon your return to work from a Leave of Absence, the amount of service credit recognized under the applicable Leave of Absence policy of your Employer will be included in your Term of Employment.

EFFECT OF REHIRE WITHIN THE AT&T CONTROLLED GROUP

If you are rehired by a member of the AT&T Controlled Group after receiving a lump sum or a monthly annuity from this Program, your opening Cash Balance Account upon rehire will be zero. If you did not begin payment of your Cash Balance Account and then are rehired as an Eligible Employee, your prior Cash Balance Account will be credited with additional Basic Benefit Credits and Interest Credits based on your Pension Compensation since your rehire. If you are receiving a monthly annuity from this Program, your monthly annuity will not be suspended upon rehire. In addition, the form of distribution of your prior annuity will not be changed as a result of your re-employment.

MOVING BETWEEN MEMBERS OF THE AT&T CONTROLLED GROUP

If you move from this Program to another Plan program, your Cash Balance Account will remain in this Program and will continue to earn Interest Credits.

When you have a Termination of Employment, you will be eligible to receive a distribution of your available vested Pension Benefit from both this Program and any other applicable Plan program.

CLAIMS PROCEDURES

KEY POINTS

- *You are not required to file a claim for your Pension Benefit under the Plan.*
- *If you think you are entitled to a benefit or a greater benefit under the Plan, you may file a claim for benefits in writing.*

There is no need to file a claim to begin payment of your Pension Benefit; however, you do need to elect to begin your Pension Benefit before reaching your Normal Retirement Age or to elect an alternate form of benefit. See the "How to Begin Payment of Your Pension Benefit" section for more information about beginning your Pension Benefit.

If you, your Spouse, Legally Recognized Partner or Designated Beneficiary (Claimant(s)), believes that he or she is entitled to a benefit or a greater benefit under the Plan, such Claimant may file a written claim with the Plan. An authorized representative of the Claimant may also file a claim on the Claimant's behalf. All claims for Plan benefits must be made in writing and sent to the Recordkeeper. See the "Contact Information" section for information on how to file a written claim for benefits.

If the Plan Administrator determines that a benefit or an additional benefit is owed under the Plan, payment will be made (or started, as applicable) as soon as administratively practicable after that determination. Those payments, however, will not begin before any limitation provided under the Plan.

Note: Please contact the Beneficiary Designation Administrator to report a death. See the "Contact Information" section for information on how to contact the Beneficiary Designation Administrator.

NOTIFICATION OF BENEFIT DENIAL

KEY POINTS

- *You will receive a written notice (generally within 90 days) from the Recordkeeper if your claim for benefits is denied.*
- *You have 60 days after receipt of the Benefit Denial to submit a written request to appeal the decision.*
- *Generally, you will receive a final determination regarding your appeal within 60 days of receipt of your appeal by the Recordkeeper.*
- *You may not file a lawsuit against the Plan until you complete the appeal process.*

If the Recordkeeper determines that a Claimant is not entitled to a Plan benefit or is entitled to a lesser benefit than the Claimant sought (a Benefit Denial), written notice will be provided. Unless the time period is extended as described below, this notice will be given within 90 calendar days of receipt of the claim by the Recordkeeper. However, in some circumstances, an extension of this notice period is necessary. If so, the 90-day period may be extended for 90 more calendar days. The Claimant will receive notice of any extension before the initial notice period ends. The extension notice will state why more time is needed and the date by which a decision will be rendered.

The Benefit Denial notice will be in writing and will contain all of the following information:

- The specific reason or reasons for the Benefit Denial
- The specific Plan provisions on which the Benefit Denial is based
- Any additional information necessary for the Claimant to perfect the claim and an explanation of why it is necessary
- A statement that the Claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the claim for benefits
- A description of the Plan's review procedures with respect to the Benefit Denial and the time limits applicable to that review. This will include a statement of the right to bring an action under section 502(a) of the Employee Retirement Income Security Act of 1974 (ERISA) after the end of the Recordkeeper's review.

How to Appeal a Benefit Denial

A Claimant who receives a Benefit Denial notice is entitled to appeal the decision. The Claimant may have the decision fully reviewed by the Benefit Plan Committee if the appeal is timely and properly submitted. To appeal, the Claimant must submit a written request for review, which must include all reasons why the Claimant believes the claim should be reconsidered. The written request must be sent to the Recordkeeper. See the "Contact Information" section for information on where to appeal a Benefit Denial.

The Claimant must request the appeal in writing no later than 60 calendar days after receiving the notice of Benefit Denial. If the Claimant has not received a notice of Benefit Denial, the Claimant must request the appeal in writing no later than 60 calendar days after the last date that a notice of Benefit Denial should have been sent by the Recordkeeper. See the "Notification of Benefit Denial" section for information about the notification.

If an appeal is submitted after this 60-day deadline, the appealed claim will not be eligible for review by the Benefit Plan Committee. In addition, the Claimant will have failed to exhaust his administrative remedies under the Plan. See the "Importance of Exhausting Administrative Remedies" section for more information.

As part of the review process, the Claimant may have access to all administrative files generated during the claim and copies of those files free of charge. The Claimant may also submit written comments, documents, records and other information relating to the claim. All of this information will be taken into account in the review.

In making the final decision on review of the initial Benefit Denial, the Benefit Plan Committee has full and complete discretion to (1) interpret all Plan terms and (2) make all factual determinations associated with the review.

Notice of Final Determination on Appeal

Unless the time period is extended as described below, written notice of the final benefit determination under review will be given to the Claimant within 60 calendar days after the Recordkeeper receives the appeal request. However, in some circumstances, an extension of this notice period is necessary. If so, the 60-day period may be extended for 60 more calendar days. The Claimant will receive notice of any extension before the initial notice period ends. The extension notice will state why more time is needed and the date by which a decision will be rendered.

If the Benefit Plan Committee determines that a benefit or an additional benefit is owed under the Plan, payment will be made (or started, as applicable) as soon as administratively practicable after that determination (or, if later, as provided under the Plan).

If the appeal is denied, the written notice provided to the Claimant will contain all of the following information:

- The specific reason or reasons for the appeal denial
- The specific Plan provisions on which the appeal denial is based
- A statement that the Claimant may request and receive (1) reasonable access to all administrative files generated during the appeal and (2) copies of those files free of charge
- A statement indicating that there are no additional voluntary appeal procedures offered by the Plan
- A statement of the Claimant's right to bring an action under section 502(a) of ERISA

Importance of Exhausting Administrative Remedies

Timely completion of the claims procedures described in this "Notification of Benefit Denial" section is very important. If a Claimant fails to comply with the claims procedures set forth in this section (for example, the Claimant does not appeal a Benefit Denial or fails to appeal within the specified time limits), the Claimant may not try to appeal the claim at a later time. The Claimant also may not bring a lawsuit based on the claim.

No lawsuit may be brought with respect to Plan benefits until all claims procedures have been exhausted with respect to all issues in question.

Time to File Suit

Any suit based on a denial of eligibility and/or for benefits must be filed no later than five years from the date of final determination by the Benefit Plan Committee.

If you wish to bring legal action concerning your right to participate in the Plan or your right to receive any benefits under the Plan, you must first file a claim for benefits and go through the ERISA (see the "ERISA Rights of Participants" section) claim and appeal process. A legal action should not be filed until you complete the claim and appeal process. Legal action involving the Plan should be filed directly against the Plan.

ADMINISTRATION OF THE PLAN

KEY POINTS

- *The Benefit Plan Committee is responsible for appeals of claims under the Plan and Plan interpretations.*
- *The Benefit Plan Investment Committee is responsible for investing the Pension Fund.*
- *The Plan Administrator is responsible for all other Plan administration.*

Plan Administrator

The Plan Administrator is responsible for:

- Determining (1) your eligibility to participate in the Plan, (2) the right of a person to a benefit under the Plan, (3) the amount of any Plan benefit, (4) the full and absolute discretion to interpret the terms of the Plan and (5) the final decision on all appeals of Benefit Denials. See the “Claims Procedures” section for more information about Benefit Denials. The authority to interpret the terms of the Plan and to hear and decide appeals is currently delegated to the Benefit Plan Committee.
- Investing the Pension Fund. This responsibility is currently delegated to the Benefit Plan Investment Committee.
- All other Plan administration purposes.

The Plan Administrator has all powers necessary to accomplish its Plan duties. This includes the complete and absolute discretion to interpret the Plan and all matters of fact with respect to its particular duties. The Plan Administrator is identified in the “Other Plan Information” section.

Delegation of Duties

The Plan Administrator may delegate any of its powers or duties with respect to the administration of the Plan and the Pension Fund. However, any delegation by the Plan Administrator of its authority to review and decide any appeal of a Benefit Denial, or its discretion to interpret the Plan with respect to an appeal, must be in writing.

AMENDMENT OR TERMINATION OF THE PLAN

AT&T Inc. has the right to amend the Plan at any time. If the Plan is terminated or partially terminated (as defined under applicable law), you will receive a Vested Interest in your Pension Benefit. See the “How to Earn a Vested Interest” section for more information on how to attain a Vested Interest.

If the Plan is amended or terminated (in whole or in part) or if a Participating Company ends its participation in the Plan or ceases to provide Plan benefits, you may not be eligible to receive benefits as described in this SPD. You may also lose future benefit coverage under the Plan. However, no amendment or termination may reduce the amount of any benefit that you have earned as of the amendment or termination date except as otherwise required or permitted by law or under the pre-amended Plan terms.

It is expected that the Plan will have enough money to pay the benefits of all Plan participants. If there are insufficient funds, you may not receive the entire benefit to which you have become entitled. However, see the next section for a description of when unfunded benefits will be covered by the Pension Benefit Guaranty Corporation.

PENSION BENEFIT GUARANTY CORPORATION

KEY POINTS

- *Your Pension Benefit is federally insured by the PBGC.*
- *There are limits on the type of pension benefits and the amount that is insured.*
- *In some circumstances, you may not receive all of your Pension Benefit.*

Your Pension Benefit is insured by the Pension Benefit Guaranty Corporation (PBGC). The PBGC is a federal insurance agency. If the Plan terminates (ends) without enough money to pay all benefits, the PBGC will step in to pay certain Plan benefits. Most people receive all of the Pension Benefits they would have received under the Plan. However, some people may lose certain benefits.

The PBGC guarantee generally covers normal and early retirement benefits, certain disability benefits if you become disabled before the Plan terminates and certain benefits for your survivors. The PBGC guarantee generally does not cover the following benefits:

- Benefits greater than the maximum guaranteed amount set by law for the year in which the Plan terminates
- Some or all of the benefit increases and new benefits based on Plan provisions that have been in place for fewer than five years at the time the Plan terminates
- Benefits that are not vested because you do not have a Vested Interest
- Benefits for which you have not met all requirements at the time the Plan terminates
- Certain early-retirement payments, such as supplemental benefits that stop when you become eligible for Social Security, that result in an early-retirement monthly benefit greater than your monthly benefit at your Normal Retirement Age
- Nonpension benefits, such as health insurance, life insurance, certain death benefits, vacation pay and severance pay

Even if certain benefits are not guaranteed, you may still receive some of those benefits from the PBGC depending on how much money the Plan has at termination and on how much the PBGC collects from AT&T and each Participating Company.

For more about the PBGC and the benefits that it guarantees, ask the Recordkeeper or contact the PBGC at:

Technical Assistance Division
1200 K St. N.W., Suite 930
Washington, D.C. 20005-4026

You may also call the PBGC at:

800-400-7242 or 202-326-4000 (not a toll-free number)

TTY/TDD users may call the federal relay service toll free at **800-877-8339** and ask to be connected to **202-326-4000**.

Additional information about the PBGC is available through the PBGC's website at pbgc.gov.

GENERAL PLAN INFORMATION

KEY POINTS

- *Generally, Plan assets may only be used to pay (1) benefits to you and your beneficiaries and (2) reasonable administrative expenses of the Plan and Pension Fund.*
- *If you get divorced or are legally separated, the Plan must pay to your Spouse or former Spouse all or a portion of your Plan benefit if required by a Qualified Domestic Relations Order (QDRO).*
- *You must keep a current mailing address for you, your Spouse, Legally Recognized Partner or Designated Beneficiaries on file with the Plan.*

Top-Heavy Rules

Certain provisions of the Plan are required by law to take effect automatically if the Plan is classified as "top-heavy." A top-heavy plan is one in which the sum of the accrued benefits of "key employees" (as defined in the Internal Revenue Code) exceeds 60 percent of the sum of the accrued benefits of all employees. In the unlikely event that the Plan is determined to be top-heavy, the Participating Companies may be required to provide a minimum benefit on behalf of all non-key employees, and a special vesting schedule may be used to accelerate vesting for non-key employees who have not yet acquired a Vested Interest at the time of such top-heavy status.

You will be informed if the Plan is determined to be top-heavy for a Plan Year.

No Assignment of Benefits

The assets of the Plan are for the exclusive benefit of you and your beneficiaries and for the payment of reasonable administrative expenses of the Plan and Pension Fund. Except as otherwise required by law or by a "Qualified Domestic Relations Order" (QDRO) (as described below), your benefits under the Plan may not be claimed by any person to whom you owe a debt, nor can your beneficiary transfer any rights to these benefits to any person. This means that you may not sell, assign, pledge or otherwise transfer your Plan benefit before it is distributed to you, nor is your Plan benefit subject to most attachments, garnishments, executions or encumbrances before it is distributed to you.

As required by federal law, the Plan will pay all or a portion of your Plan benefit in compliance with a QDRO, a court order issued under a state domestic relations law that has been qualified by the Plan. A QDRO transfers all or a portion of your Plan benefit to an "alternate payee" in connection with a divorce, legal separation, custody or support proceeding that meets certain requirements outlined in the Internal Revenue Code and ERISA. The alternate payee under the QDRO may be your Spouse, former Spouse, child or other dependent. The QDRO may relate to

child support, alimony payments or marital property rights and may direct payment of all or part of your benefit to the alternate payee.

If you or the alternate payee becomes a party to a divorce or legal separation that affects Plan benefits, you or the alternate payee (or his or her attorney) should contact the Recordkeeper to inform the Plan of the proceeding. You also can obtain a copy of the Plan's QDRO Procedure, free of charge.

No Double Crediting of Benefits

If you have earned a benefit under more than one program of the Plan, the benefit payable under this Program will take into account the corresponding benefit earned under any other program(s).

Important: You are not entitled to double crediting of compensation, service or any other factor in calculating any benefit under any program. There will be an offset to the extent necessary to prevent any double crediting.

Direct Rollover of Pension Benefit

You (or any eligible recipient) may elect to have all or any part of your benefit that constitutes an Eligible Rollover Distribution paid directly to an Eligible Retirement Plan. An Eligible Rollover Distribution is a Pension Benefit paid in a lump sum. An Eligible Retirement Plan is any one or more of the following plans that agree to accept the direct rollover:

- A qualified plan described in section 401(a) of the Internal Revenue Code
- An IRA
- A qualified annuity described in section 403(a) of the Internal Revenue Code
- A tax-sheltered annuity described in section 403(b) of the Internal Revenue Code
- An eligible 457(b) governmental plan that meets the requirements described in section 457(b) of the Internal Revenue Code

If an eligible recipient elects to receive a Pension Benefit that is also an Eligible Rollover Distribution, a mandatory 20 percent withholding tax will be deducted from the distribution. If an eligible recipient instead elects a direct rollover to an Eligible Retirement Plan, no tax will be withheld.

Missing Participants and Beneficiaries

You must keep your current mailing address and the current mailing addresses of your Spouse, Legally Recognized Partner or Designated Beneficiaries on file with the Plan. See the "Information Changes and Other Common Resources" section for more information about how to keep your mailing addresses current. If you do not provide the Plan with current mailing addresses, the Recordkeeper, the Plan Administrator, the Trustee, the Participating Companies and any fiduciary under the Plan will not be responsible for late or lost benefit payments or for failing to provide any timely notice under the terms of the Program. If the Plan Administrator cannot locate you, your Spouse, Legally Recognized Partner or Designated Beneficiaries after a Plan benefit becomes payable to such person, the benefit will remain in the Pension Fund and will not revert to any state or to any other party. After satisfying all requirements imposed by law, any unclaimed amount will be forfeited. If, after the forfeiture of a benefit, you, your Spouse, Legally Recognized Partner or Designated Beneficiaries later make a valid claim for the forfeited benefit, the amount will be paid under the terms of the Program.

Designation of Beneficiaries

You can designate a beneficiary to receive the lump sum distribution of your Pension Benefit. Refer to the AT&T Rules for Employee Beneficiary Designations to learn how to complete or change an AT&T Beneficiary Designation. To obtain a copy of the AT&T Rules for Employee Beneficiary Designations, visit the Beneficiary Designation Administrator's website or call the Beneficiary Designation Administrator. See the "Contact Information" section for information on how to contact the Beneficiary Designation Administrator.

Although you are not required to update your beneficiary designation, it is recommended that you do so when certain life events occur (for example, getting married or divorced, having or adopting a child, or losing a loved one).

Mandatory Portability Agreement and Interchange Agreements

At the time of divestiture, the former Bell System Companies entered into the Mandatory Portability Agreement (MPA). The MPA provides special benefits and service provisions for Participants covered by the MPA. They override any contrary provisions in this SPD.

AT&T Inc. (or its predecessor) and/or the Employers also entered into other interchange agreements with certain affiliates or former affiliates. These other interchange agreements include special provisions that relate to the portability of retirement benefits and recognition of service. Those provisions may affect some Participants. They will override any contrary provisions in this SPD for those affected Participants.

However, if you are eligible for the MPA, you may elect to port your service or waive any and all portability of service in accordance with the procedures established by the Recordkeeper. You may wish to waive portability of past service in order to continue eligibility for the pension and other retiree benefits being received from the former employer. This decision will depend on your personal circumstances. It is your decision whether to waive portability. This decision is irrevocable.

Special provisions apply if your prior pension benefit from a former employer was distributed in a lump sum payment.

If you have past service that may be eligible for porting under the MPA provisions or other interchange agreements, you may call the Recordkeeper for more information on the MPA and its effect on benefits and to report previous work history. You may also request an MPA Employment Questionnaire. See the "Contact Information" for information on how to contact the Recordkeeper.

Rehire by an MPA Interchange Company

If you are rehired by an MPA interchange company after receiving a lump sum benefit from the Plan and are covered under the MPA, you may repay the entire lump sum (plus interest) to the Plan (if required by the hiring company). This lump sum repayment must be made within the time period specified by the Plan Administrator's procedures. The Pension Benefit will then be transferred from the Plan to the applicable MPA interchange company plan.

Internal Revenue Code Limits on Plan Benefits

The Internal Revenue Code sets a maximum amount for your Pension Benefit. In addition, your compensation taken into account to determine your Pension Benefit under the Program for a given Plan Year may not exceed a limit imposed by law. This limit occasionally changes, either to reflect increases in the cost of living or to reflect changes in the law itself.

Mandatory Cash-Out/Rollover Rules

If you die or terminate employment with the AT&T Controlled Group and the present value of your Pension Benefit is \$1,000 or less, the benefit, if payable, will automatically be paid. It will be paid in a single lump sum payment as soon as administratively practicable after your death or Termination of Employment. No other time or form of payment is allowed. However, an election may be made to have the amount paid as a direct rollover. See the “Direct Rollover of Pension Benefit” section for more information on rollovers.

If the present value of your Pension Benefit is more than \$1,000 but not more than \$5,000, the benefit, if payable, will automatically be paid as a direct rollover to an individual retirement account (IRA) unless (1) there is an election to have the distribution paid in a single lump sum payment or (2) a different rollover election is made. See the “Direct Rollover of Pension Benefit” section for more information on rollovers.

If a benefit is automatically rolled over to an IRA, the IRA will be either a qualified safe harbor IRA (as defined by federal law) or an IRA selected by the Plan Administrator. Such IRA will be invested in a product designed to preserve principal and provide a reasonable rate of return and liquidity. Associated fees and expenses are the sole responsibility of the account holder. For more information, contact the Recordkeeper. See the “Contact Information” section for information on how to contact the Recordkeeper.

Important: You may repay a Mandatory Cash-Out payment to the Plan if you are re-employed by a Participating Company. For more information, contact the Recordkeeper. See the “Contact Information” section for information on how to contact the Recordkeeper.

ERISA RIGHTS OF PARTICIPANTS

KEY POINTS

- *ERISA is a federal law that provides certain rights and protections to all Participants.*
- *The persons who are responsible for the operation of the Plan have a duty to act prudently and in the interest of the Plan and its beneficiaries.*
- *No one may fire or discriminate against you for exercising your rights under ERISA.*

Your ERISA Rights as a Participant

As a Participant, you are entitled to certain rights and protections under ERISA including:

- To examine without charge, at the Plan Administrator’s office and at other specified locations, all documents governing the Plan, including insurance contracts, collective bargaining agreements and a copy of the latest annual report (Form 5500 Series) filed by the Plan Administrator with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration. See the “How to Obtain Information” section.
- To obtain copies of documents governing the operation of the Plan, including insurance contracts, collective bargaining agreements, copies of the latest annual report (Form 5500 Series) and an updated summary plan description (the Plan Administrator may make a

reasonable charge for the copies), provided you make a written request to the following address:

AT&T Services, Inc.
Attn: Plan Documents
P.O. Box 132160
Dallas, TX 75313-2160

- To obtain a statement of your right to receive a pension at Normal Retirement Age and which benefits would be payable at Normal Retirement Age if you stopped working under the Plan immediately. And, if you do not have a right to a pension, to obtain a statement of the number of years you must work to obtain a right to a pension. This statement must be requested in writing and is not required to be given more than once every 12 months. The Plan must provide the statement free of charge.

Plan Fiduciaries

In addition to creating rights for you as a Participant, ERISA imposes duties upon the persons who are responsible for operating the Plan. The persons who operate the Plan, called fiduciaries of the Plan, have a duty to act prudently and in the interest of you and your beneficiaries. No one, including your Employer, any union or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a Pension Benefit under the Plan or exercising your rights under ERISA.

Enforcing Participants' Rights

Under ERISA, there are steps you can take to enforce your rights. For instance, if you request a copy of the Plan documents or the latest annual report and do not receive the information within 30 days, you may file suit in federal court. In such case, the court may require the Plan Administrator to provide the requested materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator.

If you have a claim for benefits under the Plan that is denied or ignored, in whole or in part, you have the right to know why this was done, to obtain without charge copies of documents relating to the decision and to appeal any denial (see the "Claims Procedures" section for more information on how to make a claim for benefits), all within certain time schedules. In addition, if you disagree with the Plan Administrator's final decision (or lack thereof), including any final decision concerning the qualified status of a Domestic Relations Order, you may file suit in federal court.

If it should happen that the Plan fiduciaries misuse the Plan's assets, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor or may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person whom you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees (for example, if the court finds that your claim is frivolous).

How to Obtain Information

If you have any questions about the Plan, you should contact the Recordkeeper for assistance. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest area office of the Employee Benefits Security Administration (EBSA), U.S. Department of Labor as listed in the telephone directory or at:

Division of Technical Assistance and Inquiries
Employee Benefits Security Administration
U.S. Department of Labor
200 Constitution Ave., N.W.
Washington, D.C. 20210

You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

FUNDING OF THE PLAN

KEY POINTS

- *The Plan is funded by the AT&T Controlled Group.*
- *Employees may not make contributions to the Plan.*

The Pension Fund

All contributions and earnings are held in the Pension Fund. The Pension Fund is the trust(s) established by AT&T Inc. to hold and invest those amounts. The Trustee of the Pension Fund is the person or entity responsible for the Pension Fund's assets. The Trustee is identified in the "Other Plan Information" section.

Source of Plan Benefits

The Plan is funded only by contributions made by AT&T and the Participating Companies and the earnings on those contributions. Participants may not make contributions to the Plan. Such contributions will be held, invested and reinvested by the Trustee. As a Participant, you will not have any right to, title to, or interest in any assets of the Pension Fund upon termination of your employment or otherwise, except as provided under the Plan, and then only to the extent of the benefits payable to you as a Participant out of the assets of the Pension Fund.

Pension Benefits are payable from the Pension Fund. All expenses relating to the administration of the Plan may be paid from Plan assets, to the extent permitted under ERISA. Any expenses not paid from Plan assets will be paid by AT&T and/or the Participating Companies.

Restrictions Based on Funding Level

Federal law requires that the Plan apply certain restrictions if the Plan's funding level falls below certain thresholds or if AT&T, or your Employer, goes into bankruptcy. Currently, the Plan is funded above those levels, and AT&T and the Participating Companies intend to continue funding the Plan at sufficient levels so that these restrictions will not apply. You will receive a notice if and when these restrictions become effective for the Plan. The restrictions, if applicable, could include:

- Limitation on the availability of lump sum distributions exceeding \$5,000;

- Limitation on plant shutdown and similar benefits;
- Limitation on Plan amendments increasing benefits; and
- Automatic freeze of future benefit accruals.
